

Be Aware of Malicious E-mail

The following message “claims” to be sent by “webmasterr@unh.edu”. Note the misspelling of the work webmaster.

Also if you hover over the links in the message, they appear to point exchange.unh.edu, but are actually re-directed to a malicious link.

If you receive this message, delete it. If you clicked on any of the links in the message, contact the UNH IT Service Desk for guidance.

New Hampshire Email

UNH [webmasterr@unh.edu]

Saturday, February 04, 2012 12:05 P

The University of New Hampshire is migrating its email system, this migration will provide University of New Hampshire users with many benefits including additional inbox storage (5GB), a more robust webmail solution ([more secure Outlook Web Access](#)), mobile device support and an integrated email and diary. Please [Click HERE](#) to complete the migration steps through the login before your account will be fully available.
