Student Booklist: Finding Your Textbooks

The UNH Booklist (available at https://booklist.unh.edu) lets students find the textbooks they need before the first day of class. This document will walk you through finding your textbooks. If you cannot find your course, your instructor has not yet entered it into the UNH Booklist application.

Find and Select your Courses

1. From https://booklist.unh.edu, click Select My Courses.
2. Manipulate the search fields to narrow the course search:
   a. Term – Select the term.
   b. Campus – Select your campus.
   c. Subject – Select your area of study.
   d. Course – Select the course number.
   e. Search All Fields – Enter text to search (All fields will be searched for this text).
   f. Display – Choose how many results to show per page.
3. Click Search and your results appear.
4. Click the Add books link next to your course(s) to add the books to My Booklist.
5. Repeat steps #2 thru #4 to add more textbooks to your Booklist.
6. If necessary, you can click Reset to clear the search results and start over.
View your Booklist

1. Click **View My Booklist** – there are two places available to do this. (See graphic below.)

   ![View My Booklist graphic](image)

2. Click the heading of a column to sort your list if desired.

   Note: You can click **Clear My Booklist** to remove all books from your list and start over.

Price Books

1. Click the **ISBN** link in the ISBN column in the booklist. (See above)

2. A price list is generated from online book resources.

Print your Booklist

1. From the **File** menu (within your internet browser), select **Print** and follow the on-screen prompts.

Save your Booklist

1. Click **Save Books To Spreadsheet**. (See above)

2. Follow the on-screen prompts to download and save the file.
